Go Light Our World

Have you ever noticed how a single light bulb can brighten a whole room? Just like that light bulb, you can bring light into the lives of those around you. In Matthew 5:14, Jesus tells us that we are the light of the world. But what does that really mean for us as young people?

Being the light means glowing with love, kindness, and truth. It's about showing others what it means to live with faith and hope, especially when times are tough. Think about your school, your community, or even your home—the people near you might feel lost or alone. You can brighten those spaces just by being yourself and glowing in His love.

14 "You are the light of the world. A town built on a hill cannot be hidden. 15Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. 16In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.
